In addition to the traditional M&A awards, a host of prizes were awarded to a variety of M&A consultancy and services companies for their professionalism and excellence in the sector. At a glance around 150 senior decision makers from the M&A sector were in attendance.

Primarily the awards recognized companies and individuals who had demonstrated the best overall performance during the past year as well as the outstanding efforts and achievements of all those involved in identifying, coordinating and completing the important deals, which have produced consistent results, and the potential to change the fate of businesses and industries throughout the region.
